Observation or idea to check?

Name: _____ Date: _____

Tick whether each sentence describes what the child directly saw or heard, or an idea needing more evidence. An idea may be right without being a direct observation here.

I saw a drop of water on the leaf.

☐ Direct observation ☐ Idea to check

I think rain made the drop, but I did not see it fall.

☐ Direct observation ☐ Idea to check

I heard three knocks.

☐ Direct observation ☐ Idea to check

I think my friend knocked, but I have not seen them.
